SATIN BLISS LIPSTICK

TN18030CC160/1

Formulation Features:

Indulge your lips with our ultra-hydrating moisturizing lipstick, designed to deliver a luscious burst of color while nourishing and protecting. This formula ensures silky-smooth application and long-lasting hydration, keeping lips soft, supple, and irresistibly kissable throughout the day.

Functional Ingredients:

Paracera H

- Microcrystalline wax with high congealing and melting point
- Superior oil binding properties

Decaglyn 10-ISV

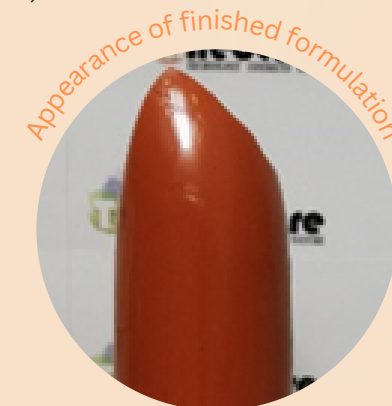

- Emollient and superfatting agent
- make the skin have a soft and moist texture and touch after use, and prevent moisture loss

Nikkol DISM

- High refractive index ester oil
- Excellent pigment dispersion

Lipsi series

- Color pigment dispersion, fine and uniform texture
